Agents of Babylon: What the Prophecies of Daniel Tell Us about the End of Days By David Jeremiah

In his #1 *New York Times* bestseller *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much-anticipated follow-up, *Agents of Babylon*, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams apply to our lives today. Written in the same highly engaging half dramatization, half Bible teaching format as *Agents of the Apocalypse*, *Agents of Babylon* is not only an in-depth exploration of the characters and prophecies contained in the book of Daniel but also a dramatic retelling of Scripture that is sure to bring ancient prophecy to light like never before.

Editorial Review

From the Back Cover

Babylon is on the rise!

Throughout history, Babylon has been a symbol of the world's worst evils—extreme decadence, infinite cruelty, ravenous power, and implacable contention against God. And nowhere in the Bible do we get a more vivid picture of the malevolent nature of Babylon than the book of Daniel.

Teeming with prophetic markers and visions—many of which have already been fulfilled—the parallels between the world described in the book of Daniel and the world we are living in today are positively staggering.

In fact, a close examination of the prophecies described in Daniel reveals indisputable evidence that the ancient spirit of Babylon is not only on the rise but that the end times are much closer than we think.

In *Agents of Babylon*, noted prophecy expert Dr. David Jeremiah explores the prophecies, dreams, and visions outlined in the book of Daniel, explains what they mean, and shows us how they apply to our world today so we can better prepare for what is to come.

Written in the same highly engaging half dramatization, half Bible-teaching format as his #1 *New York Times* bestseller *Agents of the Apocalypse*, *Agents of Babylon* offers not only an in-depth exploration of the characters and prophecies contained in the book of Daniel but also includes a dramatic retelling of Scripture that brings ancient prophecy to light like never before.

The prophecy is clear. Babylon is ascending, and Daniel's dreams contain the clues to weathering the nightmare that is yet to come.

Get ready. The end is closer than you think.

Running time: approx. 645 minutes, 9 CDS
