**Catalaunian Fields AD 451: Rome's last great battle (Campaign)** By Simon MacDowall

The battle of the Catalaunian Fields saw two massive, powerful empires square up in a conflict that was to shape the course of Eurasian history forever. For despite the Roman victory, the Roman Empire would not survive for more than 15 years following the battle, whilst the Huns, shattered and demoralized, would meet their downfall against a coalition of German tribes soon after. This book, using revealing bird's-eye-views of the plains of Champagne and detailed illustrations of the opposing warriors in the midst of desperate combat, describes the fighting at the Catalaunian Fields and reveals the broader campaign of Hunnic incursion that led up to it. Drawing on the latest research, Simon MacDowall reveals the shocking intensity and appalling casualties of the battle, whilst assessing the wider significance and consequences of the campaign.

### **Editorial Review**

#### About the Author

Simon MacDowall is a former army officer with a deep interest in military history, especially the period around the collapse of the Roman Empire in the West. After 22 years in the Canadian army he worked for several years on NATO International Staff and is now a Senior Civil Servant in the British Government. His combination of practical military background with his knowledge and understanding of the later Roman give him a unique perspective on the military aspects of the fascinating era. After living in Canada, Germany and Belgium, and seeing service in Central America, Bosnia and Kosovo, Simon now lives in London. The author lives in Suffolk, UK.
