### **Christmas for the Wolves & A Wolf for Valentine's Day: (Grey Wolf Pack Romance Short Stories Collection One) (Grey Wolf Pack Romance Novellas Book 10) By E A Price**

These are two collections of short stories about the characters from my series of novellas – Grey Wolf Pack Romance Novellas. They are available to read for free on my website: <http://elizabethannprice.wix.com/eapricenovellas>, but are being released here for anyone who wishes to have them on their reading device too. The stories are all just quick peeks into the lives of the characters that have cropped up in Books 1 – 9 of the series.

Christmas for the Wolves – Stories take place after Book 7

In the first collection, the stories take place in and around Christmas. Terri spends her first family Christmas with Mal's family and has a little bit of news for her mate. Hans finds that spending Christmas in his childhood home, and in bunkbeds, is much more fun with his mate, Melanie. Rosalee takes her gruff, Alpha mate to a spa – (he's adamant that real men don't go to spas). Andy gets a very unwelcome, and bitter, visitor but then a nice surprise from his mate. Liv and Alec realize that compromising isn't so bad. Don and Kayleigh jet off to spend Christmas in Texas, (did anyone say mile-high club?). While Gabe deals with his sister-in-law's very misguided and lovelorn stalker.

A Wolf for Valentine's Day – Stories take place after Book 9

In the second collection, the stories take place on and around Valentine's Day. Rosalee tries to diet, much to her mate's displeasure. Kira and Gabe calm the frazzled nerves of a bride and groom. Delilah realizes that now she is pregnant she will have to make compromises – especially when overprotective shifters stick their noses in. Carly and Cain find themselves arguing over a bed after an ex drops by. Don whisks his horrified mate away for a camping trip, (where is she supposed to plug in her hairdryer?!). Mal is taken aback by a blast from Terri's past. Melanie finds that her mate isn't the only one prone to jealousy

(thanks to a slobbering she-wolf). Alec suspects his sweet mate of cheating. While Deanna and a reluctant Casey spend Valentine's at a party – (why would they go out when they can stay at home in bed?!).

But, caution is advised! These stories contain swearing and scenes of a sexual nature with m/f interaction intended for mature readers.
