Her Soldier's Touch (Crimson Romance) By J.M. Stewart

Experience has taught single mother Rachel Madison that the only person she can truly rely on is herself. But what she wants most in the world - to give her son the life she never had growing up - means she must put her faith in a man who once walked out on her.

Retired from the service, U.S. Army Sergeant First Class Colten Taylor makes a detour to Phoenix to bury his brother. Nobody is more surprised than he to see Rachel waiting for him at the airport. He regrets the morning he walked away from her, but coming from an abusive home taught Colt to put limits on all his relationships - especially this one.

So when he discovers he has a son, Colt knows this is a chance to prove to himself he's not a chip off the old block. Turning his life around doesn't come naturally, though. Then a drug dealer crops up from his brother's dark past, threatening their son and forcing Colt and Rachel to face their demons . . . and each other.
