Howl at the Moon By LeTeisha Newton

This book was previously released, and is now at a reduced price as a thank you to my readers!

Tatiana has been in love with her boss Clyde since the moment she met him three years ago, but when she finally has him, she realizes her fantasies were much better than reality. She's slipped into friends with benefits mode, and he's no Prince Charming.

Sleeping with Tatiana has awakened Clyde's dormant wolf, and now they both have to come to terms with his new side, and the unimaginable desire brewing between them.

It'll take a Fairy GodMother, and some help from a smart mouthed angel, to make this couple see Happily Ever After!
