Manipulation (Shadows) By Jolene Perry

Addison Prince has almost always gotten what she wants. Dean Courser only wants to find his brother, but it's the one thing he's failed at... Even with his unusual ability. Dean and Addison share the gift of Manipulation—a brief touch that forces others to do what they wish. But when they meet and realize their connection, they find more questions than answers. Suddenly Dean is seeing moving shadows, and Addison is learning her father's mysterious group may know more about her abilities than he's ever let on. As Dean and Addison second-guess every decision about who they are and why they're wanted, time is running out. With shadows following their every move, they're losing hope they'll ever get to safety—if such a thing exists
