**One More Wish (Christy & Todd: the Married Years)** By Robin Jones Gunn

As Christy blows out the 26 candles on her birthday cake, she closes her eyes and makes a wish. Could this be the year that she and Todd finally have a baby? They know that everything will change once they have a child. Are they ready for all the adjustments a new little one would bring? Christy isn't sure. But as her closest friends announce they are expecting, Christy's heart carries an ache for a child of her own. On their way home from Sierra's wedding, Todd opens up the discussion of adoption and soon a simple invitation turns into a life-changing season. Christy's patience and understanding are stretched beyond her limits, and she finds herself holding not just one baby in her arms, but two. Everything Christy and Todd thought about family and hospitality shifts as the two of them dare to make one more wish and believe that God's timing is flawless.

### Editorial Review

#### Review

"Gunn is adept at denuding light fiction of its usual ties - mediocre prose, clichéd characters and predictable plots - and imbuing it with the hallmarks of literary fiction. The characters are multidimensional and ring true at nearly every turn." -- *Publishers Weekly*

#### From the Back Cover

As Christy blows out the twenty-six candles on her birthday cake, she closes her eyes and makes a wish. Could this be the year that she and Todd have a baby? Are they ready for all the adjustments a little one would bring? Christy isn't sure.

Still, as her closest friends announce they are expecting, Christy's heart aches for a child of her own. A weekend trip to Sierra's Jensen's wedding prompts both Todd and Christy to dream of future possibilities. Then a simple invitation turns into a life-changing season that stretches Christy beyond her limits--and holding not just one baby but two. Everything Christy and Todd thought about family and hospitality shifts as they dare to make one more wish and believe that God's timing is flawless.
