Opening Hearts: A Hero's Heart Romance #1 (Hero's Heart Series) By Iona Findley

Pregnant and alone at 35!

An unexpected consequence...

Jessalyn O'Donnell returns from her best friend's wedding with a surprise of her own. She knows how it happened -- three sex-filled nights with a smokin' hot guy, known only as Sam -- but she has no way to get in touch with him.

A shocking discovery...

When smokejumper Sam Ricci returns to his hometown after the annual firefighting season ends, he has no plans for fatherhood. His lifestyle is too risky, and he loves his job -- almost as much as he loves women. Everything changes when he runs into Jessalyn again.

The struggle...

Sam doesn't want to be tied down. Jessalyn would rather go it alone than deal with an absent husband. So why, when a twist of fate brings them together again, does it feel so right?

Do you like firefighters, secret babies and second chances? If so, this light and joyful Contemporary Romance is for you. OPENING HEARTS is a perfect quick-reading getaway.

Editorial Review

About the Author

After long years spent disguised as a nerd girl techie superhero, Iona Findley, author of the popular Hero's Heart series, decided to let her wicked creative side loose. She now writes fast-paced contemporary romance with inspiring characters and heartwarming stories. She writes the type of books that she herself likes to read: the kind that leave you hopeful and happy, the kind that are a little steamy and a lot adventurous, the kind about characters you want to cheer for as they make their own path to love. Iona is the eldest of six siblings and the World's Great-est Auntie (it says so on her coffee cup). When she isn't writing she is the servant... er... mom of several bossy cats. Iona loves to explore new places, and she draws upon her experience as a serial traveler for many of the settings in her books. She's been all over the world but never to China, a tragedy she means to remedy as soon as possible. When she can't fit in an international trip, you might find her in New Orleans, soaking up the eclectic historical at-mosphere of the French Quarter and writing her newest series, The Toussaints. If you want a complete listing of books, and news about upcoming releases, you can visit Iona at www.IonaFindley.com. For readers who would like to contact Iona directly—please do!
