Editorial Review

About the Author

The very wise and learned Doctor Nick Shoveen, Ph.D. has been offering unsolicited relationship advice to men for many years. Although it has been difficult to verify his entire background, this publisher does know that he claims to have received his Ph.D. from renowned PacoimaUniversity.com, allegedly one of the San Fernando Valley's foremost online schools. Magic Lamp Press has also learned that prior to his release, the doctor ran a Persian rug concession at a now-defunct Fedco store in Van Nuys, California. The good doctor currently resides in room 37-a of the Old Bangkok General Medicine House, where he quite often recuperates from serious wounds received in violent feminist attacks after his public appearances. Upon his recovery this time, the doctor will continue with his speaking engagements, frequently sponsored by many of the various Gentlemen's Clubs of America, and a hoped-for appearance on the basic cable Man's Show. Watch for him in your town, unless you reside in one of the municipalities that have requested the doctor to never return... and note that his latest books are now available: Meeting Women: A Guide to Approaching and Getting Acquainted with a New Female, The Female-to-English Dictionary, and How to be a Porno Producer. You can purchase them from Amazon.com through Dr.Shoveen's website at www.NickShoveen.com
