So Far Gone, Girl: A Parody of Gone Girl By Luke Young

**You think you hated Amazing Amy... just wait until you meet Wonderful Winnie!**

**Read the hilarious parody of Gone Girl. Get the ending you were hoping for and laugh out loud along the way.**

**What do you get when you take the amazing *GONE GIRL* story, replace the lame anniversary treasure hunts with deadly *SAW* movie-esque traps and have all the craziness investigated by lunatic detectives channeling the ones from the television show *THE KILLING*? You get an unputdownable and hilarious parody of EPIC proportions. Don't miss it!**

Marriage can be a real nightmare; especially when your wife is a sociopath, who's either trying to kill you, frame you for her disappearance or maybe even both. Supported by his sister whose own behavior is inappropriate at best, a pair of lunatic detectives and in-laws with questionable motives, Rick Dunce tries to navigate the tricky waters of exactly how one should act when the woman he absolutely can't stand disappears without a trace.

If this Husband-of-the-Year is truly responsible, did he act in self-defense or did one too many bizarre quiz questions or inane treasure hunt clues finally push him over the edge? Whether Winnie is missing, dead or just hiding out, the only thing that's certain is she's so far gone that it's not even funny— except that it is.

A parody of, *Gone Girl*, Gillian Flynn's acclaimed and runaway bestselling masterpiece, *So Far Gone, Girl*, will leave you doubled over with laughter, gasping for breath and checking to see if your own ottoman can really balance on its side like that.

*What readers are saying...*

*"... there are some great one-liners... And that ending was great. I think it's the ending a lot of us hoped for, but didn't get, in GONE GIRL" - Nenia Campbell (The Armchair Librarian)*

*"... kept me glued to the pages in elated hilarity. From the first line, I was cracking up, and that didn't relent almost the entire time." - Hayden Casey (Goodreads)*
