THE TRUTH ABOUT TRUMP

He is one of the world's most successful businessmen—and a man who many Americans love to hate. So how did Donald Trump become a serious contender in the race for the country's highest office? His critics think his run for president is a marketing campaign for the Trump brand. His supporters believe that he can make America great again. The only thing both sides can agree on is that Trump is a man whose appetite for wealth, attention, power, and conquest is insatiable. In this up-close-and-personal biography, author Michael D'Antonio draws upon extensive and exclusive interviews with Trump himself to present the full story behind this American icon—from his early life to the headlines of today.

“Carefully reported and fair-minded.”—USA Today
“A brisk and entertaining read.” —The Washington Post

Previously published in hardcover as *Never Enough*.

Editorial Review

Review

"*Never Enough* is an admirably straightforward, evenhanded but nonetheless damning account of Trump's life." ?*The New York Times Book Review*

"A brisk and entertaining read, drawing on interviews and documents and distilling decades' worth of news coverage to tell the story of Trump's childhood, family, business deals and political forays." ?*The Washington Post*

"A carefully reported and fair-minded account. ... [D'Antonio] has pulled together Trump's story, subjected it to some fact-checking and dissected a string of business deals that display his drive to win, his thirst for money, his willingness to push boundaries and his apparently endless quest for publicity." ?*USA Today*

"Delightful." ?*London Review of Books*

"Balanced, well-sourced and perfectly timed." ?*The Financial Times*
