### **Trust (Finding Anna Book 4)** By Sherri Hayes

Brianna is lost for the fourth time in her life. Each time was unexpected, and each changed the course of her future. The first life-altering event occurred when her mother died, and she moved to Minnesota to live with her father.

The second was when she was kidnapped at the age of seventeen and forced to be a slave. She would never forget those ten months. Brianna thought her life was over.

Everything changed again the day Stephan steamrolled into her life and brought her home to live with him. She had no idea what to expect—what life with her new Master would hold. That first month with Stephan was, in some ways, more confusing than the prior ten. As a slave, she'd known her place. With Stephan everything was new and different. He'd given her freedom and so much more.

Five months after Stephan rescued her, Brianna once again finds her life flipped upside down.

In this fourth, and final, installment of Finding Anna, Brianna must unearth strength she never knew she possessed. Stephan can no longer protect her from the outside world. She must learn to trust herself, embrace who she is, and discover who she wants to be. Only by facing her demons can Brianna find true happiness and peace.
