Espejismos de otoño (Spanish Edition) By Kim Chae-Won

Hay amores que duran toda una vida y son olvidables. Hay otros que duran un corto periodo y jamás se olvidan, ¿cuál es más real? ¿El evocado como un sueño breve, pero curiosamente duradero, o aquel al que permanecemos aferrados una vida y apenas dejó huella? ¿Son tan sólo espejismos acordes con las estaciones del año? A través de cuatro historias, conocemos el sentir más profundo de diversos personajes desencantados. Aunque la muerte es el destino de todos los seres vivos, sólo los humanos, conscientes del miedo y su desgracia, se aferran con desesperación a sueños de felicidad.
