Free Me (Found Duet Book 1) By Laurelin Paige

From the NYT bestselling author of the Fixed Trilogy...

I wasn't supposed to be working the night I met JC.

Before him, I'd been content with the daily grind, managing one of NYC's top nightclubs. So what if my life didn't have a happily ever after? I didn't believe in that anyway.

Then JC showed up.

Sexy, rich and smooth-talking, JC is nothing more than a distraction. I'm not interested in a night-in-shining latex so it's easy to push the playboy away. Or it is until my life spins unexpectedly out-of-control. Then he's there for me, offering a new method of survival, one based on following primal urges and desires that requires me to abandon my constant need for control.

His no-strings-attached lessons obliterate my carefully built walls. And as I discover freedom, I start to feel things for him that I shouldn't. Things that make me fear for my newly vulnerable heart. Because JC has secrets of his own, and his secrets don't want to set him free.

BOOK ONE OF TWO. This series can be read alone or with the Fixed Trilogy.

About the Author

Laurelin Paige is the NY Times, Wall Street Journal, and USA Today Bestselling Author of the Fixed Trilogy. She's a sucker for a good romance and gets giddy anytime there's kissing, much to the embarrassment of her three daughters. Her husband doesn't seem to complain, however. When she isn't reading or writing sexy stories, she's probably singing, watching Game of Thrones and the Walking Dead, or dreaming of Michael Fassbender. She's also a proud member of Mensa International though she doesn't do anything with the organization except use it as material for her bio.
