Manhandled: a Rockstar Romantic Comedy (Hammered Book 2) By Cari Quinn, Taryn Elliott

**My name is Faith Keystone, but my friends call me Keys.
I'm the piano player for Hammered.**

Did I mention I'm the only female in my band?
That means I technically have five older brothers.
Can't forget my manager and security team, too.
Alone time is nonexistent.
I escaped an overbearing family to join this happy circus, and most of the time it's awesome.
Except now, because of one teensy little incident at a show.
Now I have this hulking bodyguard shadowing me like a freaking puppy.
Only this puppy is more like a Doberman with an attitude problem.
And he only knows one word—NO.
I hate that word.
And I hate Quinn Alexander.
The one thing I do like is giving him the slip. Is it wrong that I kinda like when he growls at me after he finds me?
Because he *always* finds me.
Worst of all? I want him so bad that I keep forgetting I hate him.
