Such a Rush By Jennifer Echols

A sexy and poignant romantic tale of a young daredevil pilot caught between two brothers.

A sexy and poignant romantic tale of a young daredevil pilot caught between two brothers.

When I was fourteen, I made a decision. If I was doomed to live in a trailer park next to an airport, I could complain about the smell of the jet fuel like my mom, I could drink myself to death over the noise like everybody else, or I could learn to fly.

For Leah Jones, reality is life in a rundown trailer park with an irresponsible mother. But there's one escape. With an after-school job at the local airstrip, she manages to afford cut-rate flight lessons. At the controls of a small plane, she leaves the trailer park far below, swooping out over the sea in the ultimate rush.

By her senior year of high school, Leah's dreams come true: she snags a job flying for an aerial banner-advertising business. Then the owner dies suddenly, leaving everything in the hands of his teenage sons: golden boy Alec and adrenaline junkie Grayson. Though Leah has crushed on Grayson for years, she tries to stay clear of the apparently doomed business—until Grayson digs up her most damning secret. Holding it over Leah's head, he forces her to fly for secret reasons of his own, reasons involving Alec. She's been drawn into a battle between brothers—and the consequences could be deadly.
