The Fine Art of Torture (Slave of the Aristocracy Book 3) By Ashley Zacharias

You're going to love this. Slave Irene is getting her comeuppance at last. You know all the disgusting sex things that she was doing with our husbands? Well, now she's in for it. That professor Krauss in the Art Department has got hold of her. You know about him? He's a sadist. He admits it. Says right out that he's a sadist. Says that torture is a fine art. The things he does to slaves, you wouldn't believe. Terrible things. And now he owns Irene. She's going to rue the day she sold herself into slavery now, I tell you. But she's a wily one. That's for sure. I heard that she was seen roaming around the streets free. Hanging out with the most unsavoury characters. What's that about? And I got a friend who says that she saw Irene in a doctor's office. A fancy clinic. And she didn't look any the worse for wear. I don't know what's going on in the professor's studio. I just don't know.
