**Wild Plants of Barbados (MacMillan Caribbean Natural History)** By Sean Carrington

First published over ten years ago, this fully revised and updated edition now includes several plant species previously unrecorded for Barbados. This book aims to enable the reader to identify the flowering plants found in the wild in Barbados - plants many people would regard as 'just bush'. Over 500 entries are included, all with colour photographs, and clear, precise, and easy-to-follow descriptions to allow for accurate identification.
