50 Shades of Gay By Jeffery Self

Meeting his celebrity crush was one thing, but even Hollywood could not have written what happened next.

Inspired by E.L. James' international phenomenon, 50 Shades of Grey, Jeffery Self's 50 Shades of Gay tells the story of a young celebrity blogger, Alex Kirby, who interviews Taylor Grayson, a superstar leading man in Hollywood blockbuster films. Grayson also happens to be a closeted gay man with a passion for BDSM. When Grayson draws the younger man into his private orbit and initiates him into his sexual world, the younger man can tell that kinky sex has shielded Grayson from having a real emotional connection with another man. But he is head over heels in love with the older, powerful, gorgeous man who has selected him for the pleasures of submission. Ultimately, Alex decides to experiment with the power differential between them, and see if he can break through the armor that Grayson and his layers of Hollywood handlers have imprisoned him in. Will he be able to open Grayson up to real intimacy, or will he cause Grayson to end the relationship and cut himself off yet again?

Jeffery Self is a writer and an actor. He co-created and starred in Jeffery and Cole Casserole on Logo, and has appeared on numerous television shows, including Desperate Housewives, 90210, Hot in Cleveland, and 30 Rock as Randy Lemon. His book Straight People: A Spotter's Guide is forthcoming. Follow him on Twitter @JefferySelf. You can also visit him online at Jefferyself.tumblr.com.

Users Review

From reader reviews:

Christopher Barry:

What do you think of book? It is just for students because they are still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great in addition to important the book 50 Shades of Gay. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Megan Urick:

Don't be worry in case you are afraid that this book will certainly filled the space in your house, you might have it in e-book method, more simple and reachable. This kind of 50 Shades of Gay can give you a lot of friends because by you checking out this one book you have point that they don't and make an individual more like an interesting person. This kind of book can be one of a step for you to get success. This e-book offer you information that maybe your friend doesn't know, by knowing more than some other make you to be great individuals. So , why hesitate? Let's have 50 Shades of Gay.

Michele Brown:

Do you like reading a e-book? Confuse to looking for your best book? Or your book was rare? Why so many concern for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book but novel and 50 Shades of Gay or perhaps others sources were given knowledge for you. After you know how the good a book, you feel want to read more and more. Science publication was created for teacher or even students especially. Those publications are helping them to add their knowledge. In various other case, beside science e-book, any other book likes 50 Shades of Gay to make your spare time far more colorful. Many types of book like here.

Margie Rodriguez:

What is your hobby? Have you heard in which question when you got learners? We believe that that problem

was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as looking at become their hobby. You need to know that reading is very important and book as to be the factor. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You get good news or update concerning something by book. Numerous books that can you choose to use be your object. One of them is actually 50 Shades of Gay.
